WORKLOADS

16.01 Assignments

Instructor Assignment

The professional responsibilities of an instructor may include any of the responsibilities outlined in the Faculty Development Performance Evaluation (FDPE), recognizing that instructional duties will normally be the primary responsibility.

Chair & Associate Chair Assignment

The professional responsibilities of Chairs & Associate Chairs include:

- Educational leadership,

- Administrative leadership and administrative support functions.

Other Leader Assignment

- Other leader assignments may be established in discussion with the Association.

Copies of the workload assignment may also be maintained in the Dean or Director's office.

(b) Recognition of unusual levels of Student Contact Periods shall be made in the form of a Student Contact Period factor (SCPF).

$$SCPF = 12 \times (SCP/1000 - 17m)$$

(c) "Total Assigned Workload" for an academic year is the sum of the assigned CCP's (including hours of assigned substitution) and other activity assigned.

16.03 A staff member whose Total CCPs as defined in 16.02, exceeds the staff member's Overload Threshold figure shall receive payment for such excess in accordance with the following.

The Institute shall on the date of execution supply the Association a comprehensive list of Program Overload Threshold levels as they exist on February 3, 2015, and as changes are made from time to time under this Section.

16.05 A staff member whose teaching assignment includes Programs with different Overload Thresholds shall have the Overload Threshold prorated.

16.06 Where a salary staff member is absent on approved leave for five (5) consecutive work days or less, the class contact periods assigned to the staff member during the period of the absence shall be credited toward the Assigned Workload.

16.07 Where a salary staff member is absent on approved leave (excluding vacation leave) for more than five (5) consecutive work days, the class contact periods assigned to the staff member during the period of the absence shall not be credited toward the staff member's Assigned Workload, however the Overload Threshold shall be reduced by the lesser of:

- (a) the actual number of class contact periods missed, or
- (b) the proportion of the Overload Threshold represented by the number of weeks missed divided by forty (40) weeks multiplied by the proportionate loading factor "m".

16.08 A staff member assigned class contact periods for any NAIT campus, another organization, college, or institution shall have those periods counted as part of the regular load.

16.09 Workload Review

- (a) If a staff member desires a review of the staff member's workload assignment, that staff member may, within five (5) working days of notification of the assignment, request a meeting with the work unit leader to discuss the issue. If it is not resolved to mutual satisfaction, the staff member may within a further five (5) working days bring the issue to the attention of the Dean or Designate who shall consult with two (2) staff members named by the Association and render a written decision within five (5) working days.
- (b) A staff member may request further review of this workload by the Provost or Provost's designate within five (5) working days of the Dean or Designate's decision. Within ten (10) working days, the committee shall study relevant documents and conduct interviews as necessary; review the assigned workload for reasoned equity across work unit, School and Institute; and report to the Institute and the Association.

17.02 Staff members shall be entitled to two (2) days' paid leave as Reading Days, which shall be designated as the consecutive Tuesday and Wednesday of the week in February in which Family Day occurs.

If, due to operational requirements, a staff member is required to work on either or both of the days designated as Reading Days, alternate lieu day(s) during the academic year will be granted at a time mutually agreed between the staff member and the work unit leader.

It is expected that all salaried staff will utilize two (2) days of personal vacation on the Thursday and Friday of the week in February in which Family Day occurs, unless specific approval is received to attend work on these days.

SECTION 23

ILLNESS LEAVE

CASUAL ILLNESS

- 23.01 "Casual illness" means a health related absence which causes a staff member to be absent from duty for a period of three (3) consecutive work days or less.
- 23.02 A staff member in the first and in each subsequent calendar year of employment shall be eligible for a maximum of ten (10) work days of casual illness leave with pay. Each day or portion of a day of casual illness leave used within a calendar year shall be deducted from the balance of the staff member's casual illness leave entitlement for that calendar year.
- 23.03 If a staff member is ill at work or requires time off for the purpose of attending a dental, physiotherapy, optical or medical appointment, provided prior authorization has been given and the staff member works one hour in a half day of absence for those purposes, such absence shall not be charged against casual illness entitlement, nor shall a deduction in pay be made for the time lost in the half day in which illness occurred or an appointment attended. The Institute may require the staff member to submit proof of attendance at a medical, dental, physiotherapy, or optical appointment when time off from work is granted to attend these appointments.

GENERAL ILLNESS

- 23.04 "General illness" normally means a health related absence which causes a staff member to be absent from duty for a period of more than three (3) consecutive work days.
- 23.05 At the commencement of a staff member's employment and at the beginning of each subsequent calendar year (subject to 23.06), a salaried staff member shall be granted general illness leave credit for the year based on the staff member's length of service in accordance with the following schedule. (see next page)

Completed calendar years of service	General illness leave at full salary	General illness leave at 70% salary
1 st Month	0 days	70 days
Less than 1 Year	10 days	70 days
1 year	15 days	65 days
2 years	25 days	55 days
3 years	35 days	45 days
4 years	45 days	35 days
5 years	60 days	20 days

- 23.06 Casual illness entitlements earned but not taken by a staff member during the two (2) previous calendar years may be utilized in lieu of up to twenty (20) days of general illness which would otherwise be taken at seventy percent (70%) salary according to the schedule above.
- 23.07 A staff member who is on General Illness leave or Long Term Disability leave at the beginning of a calendar year shall be granted general illness leave credits in accordance with Section 23.05 on the staff member's return to full normal duties. If however, the staff member takes illness leave for the same or a related illness during the first ten (10) consecutive work days following the staff member's return to full normal duties this credit will be removed and the illness leave will be considered a continuation of the original general illness leave. This Section will be re-applied on any subsequent return to full normal duties.
- 23.08 Unless entitled to benefits under Section 23.07, a staff member who returns from a period of general illness leave shall have added to general illness leave credits, sufficient days at seventy percent (70%) of normal salary to restore the combined fully-paid and partly-paid general illness leave entitlement to eighty (80) days. This additional entitlement shall not be granted if the staff member takes illness leave for the same or a related illness during the first ten (10) consecutive work days following the date of return to full normal duties.
- 23.09 When a day designated as a Paid Holiday under Section 17 falls within a period of general illness it shall be counted as a day of general illness and under no circumstances shall a staff member receive an additional entitlement in respect of that day.
- 23.10 For the purpose of this Section, the maximum period of continuous absence recognized shall be eighty (80) consecutive work days. A staff member whose illness or disability extends beyond that period may make application for benefit under the Long Term Disability Plan.

ADMINISTRATION

- 23.11 A staff member is not eligible to receive illness leave benefits under this Section if:
- (a) the absence is due to an injury while in the employ of any other employer, that qualifies for Workers Compensation benefits, nor is the staff member eligible for any illness leave benefits for any subsequent absence caused by that injury; or
 - (b) the absence is due to an intentional self-inflicted injury.
- 23.12 (a) The staff member shall provide a medical certificate from a physician for any absence due to general illness. The medical certificate will indicate: the expected duration of the illness or injury, the individual is under a physician's care, and the illness or injury prevents the individual from performing full normal or modified duties.
- (b) For prolonged absences greater than ten (10) days, the Institute may require the staff member to have a physician submit medical evidence on the Institute's form indicating that the staff member is disabled from full or modified duties. Expenses for the completion of this form will be paid by the Institute to limits established by the Institute.
- 23.13 When a staff member has been on illness leave and wishes to return to work, the Institute may require the provision of medical evidence from the staff member's physician confirming fitness to perform full, normal duties or restricted or modified duties (hours of work or job tasks).

- 23.14 (a) The Institute may require that a staff member undergo a medical examination by a physician selected by NAIT:
- (i) in the case of prolonged or frequent absence due to illness; or
 - (ii) when it is considered that the staff member is unable to satisfactorily perform full normal duties or restricted or modified duties (hours of work or job tasks) due to disability or illness.
- (b) The staff member shall be entitled to have the staff member's personal physician or other physician of the staff member's choice provide relevant documentation to the physician appointed by the Institute, when undergoing a medical examination. With the consent of the staff member a copy of the report of the physician conducting the medical examination shall be sent to the staff member's physician by the Institute.
- (c) Should the opinions of the treating physician and the physician selected by NAIT differ regarding the status of the staff members' health, the dispute will be settled by a third physician. This physician will be selected by mutual agreement of the two physicians, from a list of physicians provided by NAIT and the Association. Expenses of this physician shall be paid by the Institute.
- 23.15 Where a staff member has been medically examined by a physician and is also applying for LTD benefits, a copy of the report of the physician who conducted the medical examination shall be considered as part of the staff member's application.
- 23.16 The parties agree that casual and general illness benefits as provided in this Section are intended only for the purpose of protecting a staff member from loss of income when the staff member is ill.
- 23.17 If a staff member is injured and becomes entitled to the salary and benefits payable by the Institute under its policies, guidelines and procedures including this Collective Agreement and if the injured staff member is entitled to bring action against some person for such injury, the Institute is subrogated to all rights of the injured staff member in respect of such salary and benefits paid. The injured staff member shall reimburse the Institute for such salary and benefits, to the extent that they are recovered from some other person.
- The Institute may bring action to recover such salary and benefits in the name of the injured staff member and may, at any time, settle such claim or action for any amount that the Institute sees fit.
- 23.18 Both parties to this Agreement recognize the value of return to work programs for staff members during periods of General Illness, WCB and/or Long Term Disability. Staff members participating in planned, documented return to work programs remain eligible for General Illness, WCB and/or Long Term Disability benefits. Return to work programs must be developed in conjunction with the staff member, the staff member's physician, the work unit leader, the Association, Health Services and the HR consultant.

SECTION 42

PERFORMANCE EVALUATION

- 42.01 Performance evaluation of all staff will occur on a regular and ongoing basis. - 43.01 Each new staff member shall serve an initial probationary period. The probationary period is intended to provide an opportunity for the new staff member to evaluate the work situation and demonstrate the skill, knowledge and overall suitability required for the role. It also allows the Institute to assess the skills, knowledge, performance and overall suitability of the staff member for the role.
- The probationary period shall be for twelve (12) months, and may be extended for a definite period not to exceed twelve (12) months,
- (a) if recommended by the work unit leader and endorsed by the Dean following consultation with the Association, or
 - (b) to make up for any significant leave of absence taken during the initial twelve month period.
- 43.02 During a staff member's probationary period the Institute may terminate the staff member's appointment by written notice of termination specifying the reasons in full.

- 43.03 Unless written notice of termination of employment or extension of probation is provided prior to the expiry of the initial probationary period, it is understood that continued employment with the Institute is automatic, in accordance with the staff member's offer of employment.
- 43.04 For a staff member serving a probationary period, a written performance evaluation shall be conducted approximately six (6) weeks prior to the completion of the probationary period. Written performance evaluations on a probationary staff member may be conducted as often as necessary during such staff member's probationary period.
- 43.05 A new staff member who has previously been employed at the Institute (salary or sessional) may have such previous employment considered as part of the probationary period providing the two assignments are comparable.

- 44.01 In this Section the following definitions shall apply:

- (b) Transfer is the movement of a staff member from one assignment to a second assignment which has a salary range the maximum of which differs from that of the first assignment by less than five per cent (5%).
- 44.02 When recruitment activity to any salary assignment, covered by this Agreement, is undertaken it shall normally be by means of competition and shall be in accordance with recruitment and selection policies and procedures. When the Institute considers it appropriate to proceed without competition, it shall consult with the Association regarding the proposed method of recruitment, selection and for the length of the designated term.
- 44.03 The Institute recognizes the value of engaging staff members' interest and input to the recruitment and selection procedure. Where available, at least one member of the Association, from the Program area or School, with relevant experience will participate on the interview and selection panel for instructors. Where no such member is readily available, the Association will be consulted for advice.

Furthermore, when a NASA leadership (Leader I or II) opportunity arises, a Selection Committee (SC) will be formed. The committee will normally consist of:

- Up to 50% of voting members as assigned by the Dean or Designate (e.g. Associate Dean + Leader 1)
- At least 50% of voting members as selected by NASA members (e.g. Leader II + Instructor)
- One (1) Human Resource Representative

The Dean or Designate will determine the size of the committee.

NASA Staff interested in participating on the SC must submit an expression of interest to the Program. If there is greater interest than spots, an election process with voters from the program area affected will be conducted by the Program. Where there is insufficient interest in participating, the Association will be consulted for advice.

Once formed, the SC will be provided with a list of applicants and may participate in selecting those granted an interview.

The SC will make a recommendation to the Dean at the end of the selection process. The recommendation will normally be based on discussion; however failure to reach agreement will result in a vote. All members of the SC, except the Human Resource Representative will be able to vote.

The Dean will either support or deny the recommendation, however if the recommendation is denied, the Selection Committee will be reconvened and the rationale for the denial will be discussed.

- 44.04 A salary staff member who is promoted or transferred for a designated term is entitled to retain salary status and, on completion of the term of the appointment, to return to the staff member's previous assignment or to a comparable assignment within the work unit.

- 44.05 During the first twelve months following a transfer or promotion, either the Institute or the staff member may request reversion to the staff member's former assignment or to a comparable assignment. Such reversion shall take effect at the completion of the academic quarter, semester, or intake, unless otherwise agreed by the Institute and the staff member. When a staff member who had been promoted reverts to the former level, the Institute may adjust the staff member's salary to the rate that would have applied if the initial promotion had not taken place.
- 44.06 If an employee is moved, other than for disciplinary reasons, from one assignment to a second assignment which has a salary range the maximum of which is lower than that of the first assignment, the Institute, in consultation with the Association, and the staff member may enter into an agreement with respect to salary and benefits. Such agreement shall provide for salary and benefits at least equal to that of the new class and not more than that of the former class.

SECTION 45

ACTING INCUMBENT ROLE

- 45.01 An acting incumbent role exists when a staff member is designated by the Dean to perform the principal duties of a higher level assignment for a period of up to one (1) year, during which time the staff member may also be required to perform some of the staff member's regular duties. If the period of acting incumbency is at least five (5) days, the staff member shall be eligible for acting incumbency pay for the total period of acting incumbency, including the five (5) day qualifying period. Acting provisions shall not apply where a staff member is assigned only limited additional duties.
- 45.02 Where a staff member, other than one classified in the instructor series, qualifies in an acting incumbency role, the staff member shall receive a minimum of five percent (5%) of the staff member's current salary in addition to the current salary, or, subject to approval of the Institute, the staff member may receive the minimum salary that would be applicable if the staff member was promoted to the higher level.
- 45.03 When a staff member classified in the Instructor series qualifies in an acting incumbency role as Leader I or Leader II, the staff member shall receive the appropriate Leader modifier.
- 45.04 Acting incumbency pay shall normally be paid as an allowance, but where acting incumbency is for a period less than two (2) complete calendar months, it will be paid as a lump sum in the month following the acting incumbency.
- 45.05 Notwithstanding 45.01, where a staff member has been accepted on an approved foreign assignment (e.g. with CIDA or CUSO), the Institute may establish an acting incumbency for up to two (2) years.
- 45.06 An acting incumbency may be extended for a period not to exceed one (1) year, but such extension shall be the subject of consultation between the Institute and the Association.
- 45.07 Appointment to an acting incumbency for a known term of one year shall be made in accordance with the provisions of Section 44.02 of this Agreement.

DECLARATION OF REDUNDANCY

- 46.02 The Institute shall notify the President of the Association when redundancy of salaried staff members within a work unit is anticipated. The Institute, in consultation with the Association, may then proceed to give notice to staff members in a work unit that a potential for redundancy exists.

CONSIDERATIONS PRIOR TO INVOLUNTARY REDUNDANCY

- 46.03 A staff member may agree to teach, without loss of salary and benefits, credit and/or apprenticeship courses in any mode or time of delivery, outside of the scope of this agreement, exclusively or in combination with regular daytime Program courses, to avoid a potential redundancy.
- 46.04 Notwithstanding Section 44.04, when the Institute determines that there must be a reduction in the number of staff in a work unit it may transfer salary staff members and/or release sessional, probationary or salary staff with less than two years of service to achieve such a reduction.

The Institute shall give consideration to staff members who voluntarily request transfers.

VOLUNTARY RESIGNATION OF STAFF MEMBER

- 46.05 A staff member may volunteer for redundancy. If the Institute agrees, the staff member shall enter into an agreement with the Institute regarding the notice period. At the end of the notice period the staff member will receive severance pay in accordance with Section 46.13(b).
- 46.06 A staff member who voluntarily enters into an agreement with the Institute will be deemed to have resigned and shall forego all other considerations under Sections 46.07 through 46.14.

The Review Panel shall be convened to verify the exclusion. The Review Panel decision will be communicated to NASA and NAIT simultaneously.
 - d) A list of staff members who are declared redundant is finalized.
- 46.11 Eleven (11) weeks written notice shall be given to a staff member who is considered redundant. The staff member may be paid salary in lieu of part or all of the stipulated notice period. This notice shall not be given in the months of June, July, or August.
- 46.12
- (a) If a staff member who is declared redundant has the qualifications, experience, and competence to assume the work assignment of a sessional or probationary staff member, the Institute shall make reasonable efforts to arrange such a transfer within the School, or failing that, into another School.
 - (b) If a transfer cannot be arranged through the provisions of 46.12(a), but where an alternate work assignment is expected to be available within one year and the work assignment is one to which the staff member, in the opinion of the Institute, could be reassigned at the conclusion of a period of training not to exceed one year, the redundant staff member shall be eligible for the appropriate training in accordance with the provisions of Section 24 of this Agreement. Notwithstanding

Section 36.02, the Institute will pay tuition costs associated with training approved under this Section.

- (c) If the Institute is unable to arrange a transfer under Sections (a) and (b), it shall provide assistance to the staff member in seeking work with an alternative employer including a reasonable amount of time off with pay to be interviewed by prospective employers.

46.13 A staff member with greater than two (2) years of continuous service for whom alternative employment arrangements have not been made shall:

- (a) be eligible for placement through limited competition into a comparable work assignment for which the staff member is qualified. Such competition shall be limited to those staff members who have been declared redundant during the previous twelve (12 months). A staff member reappointed under this Section shall, subject to additional training or experience, reassume the appointment status and step on the salary schedule previous to redundancy,
